

Press Release: New NCA Exhibition, New NCA Gallery, New Beginnings

NORTH COUNTRY ARTS invites ALL ARTISTS to submit work for its upcoming LIVE EXHIBITION at the organization's NEW GALLERY: # 120, THE SHIRT FACTORY.

THE ARTIST'S VIEW Exhibition will open June 12 from 5 to 7pm and run to August 14, 2021. Artists may submit two ready to present pieces in any medium for a single \$20 fee. Submitted works will also appear FOR FREE in the simultaneous virtual show on the NCA website. Opportunities to present additional work may be available; the organization will contact participants before June 11 with any details.

DROP OFF will take place at Gallery #120 from 12 to 4pm on Friday, June 4 and Saturday, June 5, 2021. Interested artists can find registration forms on the NCA website, [northcountryarts.org](http://northcountryarts.org).

NCA's move to the larger and more conspicuous space will bring considerable prestige and outside attention to the organization and to the work of the region's artists. It will also provide exciting new opportunities. This new gallery offers a much larger space than NCA's previous gallery at #114. It is effectively two galleries in one and NCA will soon announce its plans to offer solo shows to invited member artists in the smaller gallery space.

The Shirt Factory and NCA adhere to all standard COVID protocols. Masks and social distancing are compulsory.
